

TRAINING ANNOUNCEMENT

PetroSafe Technologies, Inc. will offer two great training opportunities for industrial emergency response organizations in the Golden Triangle and surrounding areas in the month of April and May, 2012. This training will be provided at the Rockin-A-Café in Beaumont, TX. The two programs will be offered on the dates listed below:

INDUSTRIAL SAFETY OFFICER TRAINING AND CERTIFICATION

Monday April 30 and Tuesday May 1, 2012 - Rockin-A-Café – Beaumont TX

This 16-hour training and certification program is designed for experienced industrial emergency response team members, leaders and officers that may be called upon to serve as the **Incident Safety Officer** at the emergency scene. This training and certification program is further designed to meet OSHA and NFPA requirements to provide more advanced and more comprehensive training to managers, supervisors and leaders of the industrial emergency response organization.

COMMAND AND MANAGEMENT OF INDUSTRIAL EMERGENCIES

Thursday May 10 and Friday May 11, 2012 - Rockin-A-Café – Beaumont TX

This 16-hour training and certification program is a NIMS-ICS based program designed for experienced industrial emergency response team members, leaders and officers that are assigned or that would potentially assume the responsibilities of the Incident Commander, Operations Section Chief, other ICS Command and General Staff positions or other supervisory or leadership positions within the ICS organization. Management personnel assigned to ICS positions in the industrial EOC will also benefit from the content of this training program. This training and certification program is further designed to meet OSHA and NFPA requirements to provide more advanced and more comprehensive training to managers, supervisors and leaders of the industrial emergency response organization.

TOTAL COST: \$295/student/either program – including lunch meals

TIME: 8AM – 4PM LOCATION: Rockin-A-Café – Beaumont TX

ADVANCED REGISTRATION IS REQUIRED: Seating will be limited to 30 participants, so please register early to reserve your seats. Don't wait until you know the exact names of those available to reserve your seats. Plug in some names that you would like to attend and the actual list of those attending can be updated and changed at any time. To register and reserve seats for either or both of these programs simply click here - or place this URL in your web browser <http://www.petrosafe.com/classes.php>. Find the correct program listing and click "**VIEW DETAILS**". When the page opens, make sure you have the correct program, then click on "**REGISTER NOW**" and follow the directions to complete and submit the registration form. In this process, you will have the option of paying immediately by credit card (Visa or MasterCard) or you may check the box to pay with a company check on or before the training date. A total of 10 participants is required for each program to avoid cancellation. All prepaid funds will be refunded immediately in the unlikely event any PetroSafe program is cancelled. If you have questions or any difficulty with registration, please contact Carl Anderson toll free at 866-642-8318.
