**Resource Management
G-703**

This course is designed for elected officials, local and state emergency management personnel, senior staff of departments charged with emergency responsibilities, and members of volunteer groups active in disasters.

This 2 ½ day course provides participants with the knowledge and skills to effectively identify, develop, and manage a resource management system. The course also covers aspects in the management of scarce public and private sector resources during a crisis situation and how to request assistance.

Registration is open on preparingtexas.org. The location is 11475 FM 1442, Orange, Texas at the Orange County Convention & Expo Center. Deadline to register is August 10, 2014.

Please contact Ken Luce at 409-670-4120 or kluce@co.orange.tx.us if you have any questions or concerns.
