

# Chemical Industry Outreach Workshop

## FBI HOUSTON

**When:** June 17, 2015

**Where:** Beaumont Civic Center, 701 Main, Beaumont, Texas 77701

### **Demo Description:**

Attendees will receive lectures in the morning regarding emerging threats posed by improvised explosives. Presentations will cover Weapons of Mass Destruction Chemical Countermeasures, Clandestine Drug Labs and Improvised Explosives. After lunch, attendees will witness the detonation of a variety of improvised explosives, most of which can be mixed utilizing common household chemicals. This demonstration is designed to underscore the potential danger of these chemicals, both in the hands of terrorists as well as juvenile experimenters.

**RSVP:** Please RSVP via e-mail to [bobby.anderson@ic.fbi.gov](mailto:bobby.anderson@ic.fbi.gov). Attendance is by invitation only but there should be plenty of room.

*\*\*Cameras and video equipment will be permitted during the demonstration, but are limited to private use only.\*\**
