ANNOUNCEMENTS

Pete Shelton, Mike Lovelady and Dick Nugent met with representatives of the Texas Department of Corrections "Stiles Unit" reference fire response at that location. Structural fire fighting training will be conducted at the Beaumont Training Field for this purpose.

Les Williams, Williams Boots & Coots and long-time member of the Sabine Neches Chiefs Association, has passed away. Les will be long remembered for his contributions to the organization.

BOSSSES NIGHT

President Bruce requested discussion on the Bosses Night banquet. All thought the banquet went well. In the event anyone has comments on the Bosses Night banquet, they should contact any of the officers or members of the Board of Directors.

Recent emergencies were discussed.

Please note the 1994 SNCA Dues Statement attached. Get your dues in early!

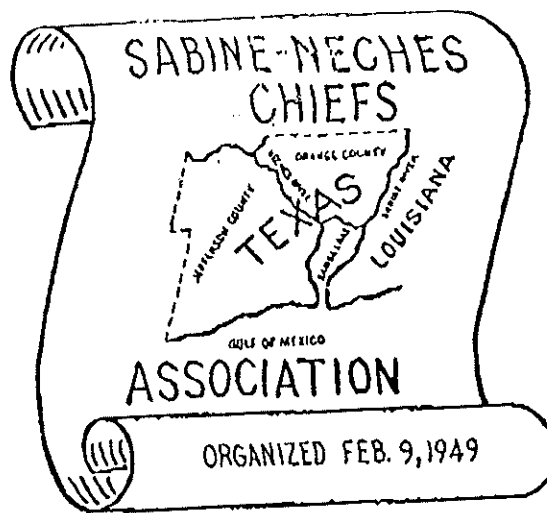

Darrell W. Landry
Secretary/Treasurer

NOTE: The next meeting will be held at 10:00 A.M., Wednesday, February 2, 1994 at Benoit's Restaurant located at the caution light on Hwy. 90 in China, Texas, hosted by the Nome volunteer Fire Department.

March 17, 1994

The 539 meeting of the Sabine Neches Chiefs Association was called to order by President, D. A. Bruce at 10:00 A.M., March 2, 1994 at the Ramada Inn. The meeting was hosted by Chemical Waste Management.

Invocation was given by Walter Nebgen. Rosco Compton, Chemical Waste Management, welcomed the group.

Self introductions were made.

Minutes were read and approved.

LAMAR FIRE FIELD

Pat Shelton, Beaumont Fire Department, relayed the following:

- The bid was awarded to a contractor from Lamarque, Texas and is scheduled to begin work early the week of March 7, 1994.
- The work will begin on the north side of the field, which will be shut down for one to two weeks, and will not interfere with school operations.
- Pat Shelton announced Lamar Fire School has a need for a 10x8, 2000 6 PM, 1750 RPM Pump, clockwise rotation, 16', 14" impeller. Should anyone be able to provide a pump of this description to the Lamar Fire Training Ground, please contact Pat Shelton at the Beaumont Fire Department.

Projects

- Road to large diameter hose project complete
- Pump changes were made
- In the process of compiling a list of materials to rebuild house fire project
- Hand washing stations installed at pavilion
- Dual lunch time scheduled to reduce length of lines
- Beaumont Fire Department is hosting the Texas Fire Chiefs/Fire Marshalls Convention in June 1994 which will be held in Beaumont, Texas
- Work day for the Lamar Fire Field is scheduled for Saturday, May 7, 1994 at 7:30 A.M.

COMMITTEE REPORTS

- The newly formed Oil Spill Committee elected officers in a recent meeting. Oil Spill Committee projects:
 - Completed a list of area oil spill response equipment. The Texas General Land Office will provide a list upon request.
 - List of qualified personnel in the area
 - Develop chart of radio frequencies including government/industry, including UHF/VHF frequencies available for spill response.
 - Membership contained a good cross section of area government and industry groups

SPECIAL ANNOUNCEMENTS

- Long-time member and Pear Ridge Volunteer Fire Department Chief, Grady Eddins, passed away recently. Chief Eddins will long be remembered for his contributions to the Fire services.
- John Harrington, Sandoz Crop Protection, was rushed to Houston after undergoing surgery there. Our prayers and best wishes go to John on a speed and complete recovery.
- Dick Nugent announced the on-the-ground drill previously scheduled for March 16, 1994 would be rescheduled for Wednesday, March 23, 1994 at 8:00 A.M. at the Jefferson County Airport.
- Dick Nugent also advised SAGE, Inc. could become a part of the National "Emergency Broadcast System." CNN will air a segment on our SAGE System in the near future on their Science Technological Program.
- President Bruce asked the membership if they had anything to discuss at the upcoming Board of Directors meeting to be held on March 8, 1994. No one had anything to add.

Recent emergencies were discussed.

PROGRAM

A very informative program was provided by several members of the Lamar University Industrial Fire Training Division staff who provided the group with some indepth information including scheduling of their upcoming classes. Pamphlets and class schedules were provided.

Page 3

The meeting was adjourned at 10:50 A.M.

April 12, 1994

The 540th meeting of the Sabine Neches Chiefs' Association was called to order by President, D. A. Bruce at 10:00 A.M., April 6, 1994. The meeting was hosted by the China Volunteer Fire Department and held at Benoit's Restaurant in China, Texas.

Invocation was given by Curtis Holden. Richard Courville welcomed the group on behalf of the China Volunteer Fire Department.

Self introductions were made.

Minutes of the previous meeting were read. A correction was made correcting the name "Lamar Fire School" to the "City of Beaumont Fire Training Grounds" by Dr. Gary Ensign, Lamar University. Correction noted.

Bank Balance: At the close of business March 24, 1994, the account balance was \$20,672.28.

March Board of Directors Meeting:

President Bruce informed the membership of the development involving the City of Beaumont Fire Training Grounds. Lamar University has a sizeable cash outlay resulting from the announcement of the annual Industrial Fire Training Program. To protect this cash expenditure in the event something unforeseen occurs causing this training to be cancelled, the 1994 contract indicated the Sabine Neches Chiefs' Association be responsible for the monies spent. In view of the fact the Sabine Neches Chiefs' Association receives no monetary gain from this or any of the other classes held at the City of Beaumont Fire Grounds, President Bruce recommended to the membership that the contract with Lamar University not be signed by the Sabine Neches Chiefs' Association. The SNCA will continue to endorse and support the City of Beaumont Fire Training Grounds and its programs, but discontinue joint sponsorship of the school. Through a vote of the membership, the Sabine Neches Chiefs' Association will not accept financial responsibility of Lamar University in the event the Industrial School is cancelled and will discontinue joint sponsorship of this school.

Beaumont Fire Chief Pete Shelton advised that the City of Beaumont would assume financial responsibility and sign the contract with Lamar University assuming this responsibility in the event the school is cancelled.

Vice President Mike Lovelady, Chairman of the By-Laws Committee will amend the by-laws to reflect the change.

RECEIVED

APR 21 1994

BMT. FIRE DEPT.

- o Recent Emergencies were discussed:
- o Special Announcements:
Jeff Reeder, Union Pacific Railroad offered Hazmat and rail car specific hazmat training to the membership. This training is provided free of charge for those interested. For additional information, contact Jeff at (713) 350-7197.

City of Beaumont Fire Field: Pat Shelton relayed the following:

- o Volunteer Fire Department Training will be conducted April 15 through 17, 1994.
- o Discussed training/seminars to be provided as a part of the upcoming State Fire Chiefs/Fire Marshal's conference to be hosted by the Beaumont Fire Department.
- o Began preparation for cleanup at the Beaumont Fire Training Grounds. Workers should bring mowers, weed eaters, paint brushes, paint rollers and stiff pushbrooms, if available.

SAGE

- o Dick Nugent and Pete Shelton discussed the use of the SAGE System during a recent Elf-Atochem Emergency. Overall, the system worked well. A critique was held on the SAGE System use.
- o The SAGE System was also utilized during the recent drill at the Jefferson County Airport. Nugent advised the group that the SAGE System was used to notify the various radio stations without capturing the radio stations for a public broadcast.
- o Nugent said some openings are available in an upcoming incident command training session to be conducted in the near future. There will be no charge for this session. If you would like more information, please contact Byron Broussard, Jefferson County Airport at 722-0251.

The meeting adjourned at 11:25 A.M.

Darrell W. Landry
Secretary/Treasurer

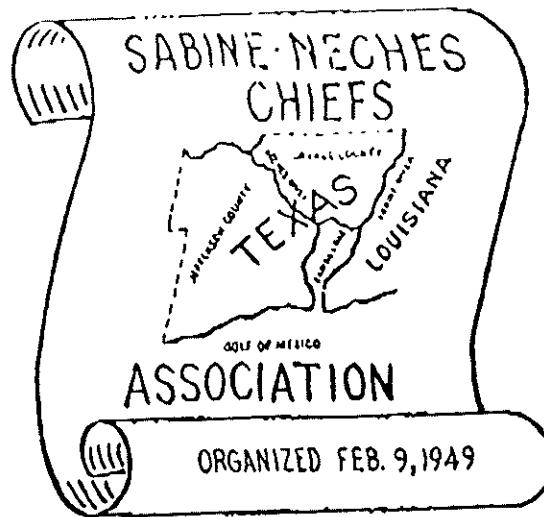

NOTE:

The next meeting will be held at 10:00 A.M., Wednesday, May 4, 1994, at the Hamshire Community Building Fire Station, hosted by the Hamshire Volunteer Fire Department.

May 6, 1994

The 541st meeting of the Sabine Neches Chiefs' Association was called to order by President D. A. Bruce at 10:10 A.M., May 4, 1994. The meeting was hosted by the Hamshire Volunteer Fire Department and held at the Hamshire Community Center and Volunteer Fire Department building in Hamshire, Texas.

Invocation was given by Bobby Lane. Ray Chesson welcomed the group in behalf of the Hamshire Volunteer Fire Department.

Self introductions were made.

Minutes of the previous meeting were read and approved.

CORRESPONDENCE

- Union Pacific Railroad requesting information for membership. Information will be furnished by telephone.
- Orange County Ambulance Service letter requesting membership.
- A letter from Derwin L. Daniels, Coordinator, Lamar University Fire Academy was read by Vice President Mike Lovelady. The letter included a five-page list of equipment needed by the Lamar University Fire Academy. Daniels requested that members with surplus equipment donate these items to the Lamar University Fire Academy to eliminate the need to borrow these items. Please contact Derwin Daniels at (409) 880-8671 with any questions or donations (see attached letter).

BEAUMONT FIRE TRAINING GROUNDS

President Bruce reminded the membership of the workday scheduled for Saturday, May 7, 1994 and to bring the tools needed to work with.

Chief Shelton announced 348 students had enrolled, to date.

SPECIAL ANNOUNCEMENTS

Danny Graves, United States Weather Service, Jefferson County Airport, discussed a scheduled staff reduction that will take place (will precede the losing of the Weather Station at the Jefferson County Airport in June 1998). The Lake Charles station will assume the responsibilities of weather forecasting for the Golden Triangle Area. Pete Shelton spoke for the group in saying we would miss their services.

Danny Graves also discussed the availability of "Storm Observer" training. Upon completion of this training, civilian observers assist the U. S. Weather Service by providing informed observations of weather developments sighted. Graves said there were presently 108 trained observers in our area and 3,000 nationwide. For information on becoming a trained weather observer, contact Danny Graves at (409) 722-8822.

Recent Emergencies were discussed

The meeting adjourned at 11:35 A.M. An excellent barbecue meal was served by the members of the Hamshire Volunteer Fire Department. Thank you all for the hard work involved in preparing this fine meal.

D. W. LANDRY
Secretary/Treasurer

NOTE: The next meeting will be held at 10:00 A.M., Wednesday, June 1, 1994, at Patrizi's Other Place, 2050 IH 10 South, Beaumont, Texas hosted by Temple-Inland.

Program: Mr. Dick Nugent will provide current information to prepare us for the 1994 Hurricane Season.

Chief Mike Lovelady
Nederland Fire Department
P.O. Box 967
Nederland, Texas 77627

Dear Chief:

As per our conversation at the Lamar University Fire Technology advisory board meeting on April 11, 1994; I am sending a list of equipment and materials that are needed to perform proper fire fighting training and are required by the Texas Commission on Fire Protection. Due to the lack of these materials, valuable time and effort are spent borrowing from local fire departments, industrial groups and other training facilities.

I look forward to participating in the next Sabine-Neches Chiefs meeting to present this material to the association. Hopefully, equipment donations to the fire academy would be generous from the participating agencies.

Thank you for your help, and I am ready to go forward with this project. If needed please contact me at (409)880-8671.

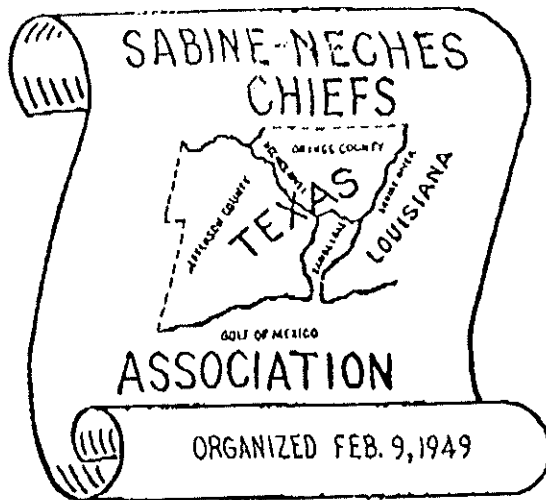

Sincerely,

Derwin L. Daniels

BEAUMONT FIRE TRAINING GROUNDS

The Rescue Section of the Annual Fire School went very well. Walter Nebgen praised the instructors for their flexibility, hard work and dedication. Walter's enthusiasm for the program was evident in his praise for the instructors which surely contributed to the success of the program.

There were 343 students in attendance.

Fire Field: Pat Shelton reported:

- Began dismantling
- Some piping installed
- A ditch was completed to direct water off the north side of the school
- New drains completed on the south side grounds
- Contaminated soil removed and lines installed
- Close to completion on the main 48" drain line

The 543rd meeting of the Sabine Neches Chiefs' Association was called to order by President D. A. Bruce at 10:00 A.M. on July 6, 1994. The meeting was hosted by Mobil BC&SP Plant and held at the Holiday Inn on Walden Road, Beaumont, Texas.

Invocation was given by Walter Nebgan. Joe Paige and Jim Willis, Plant Manager, welcomed the group on behalf of Mobil BC&SP.

Self introductions were made.

Minutes of the previous meeting were read and approved.

Bill

Patrizi's Other Place
Meal - Quarterly Board of Directors' Meeting \$199.59

A motion was made, seconded and passed to pay the bill.

Board of Directors' Meeting

- The Board of Directors discussed the membership of the Orange County Ambulance Service. A letter was sent stating requirements of membership and dues.
- A discussion was held addressing unpaid dues. President D. A. Bruce would approach those members at the July meeting and remind them that their dues were not paid.

Beaumont Fire Training Grounds:

Pat Shelton discussed the following progress at the site:

- LPG projects in service
- Concrete down in front of projects
- South end of the field available for use
- Soil removed, drains, HDP liners scheduled to be completed by the end of August, 1994
- House fire project roof will be replaced

Pat invited anyone interested to come by the Fire field and see the progress.

Pete Shelton said the 24th Annual School will be closed out in the near future. Pete discussed the contract between Lamar University and the City of Beaumont on the Fire Training Grounds.

President Bruce again reminded the membership of the need for surplus equipment by the Lamar University Fire Academy. Some discussion followed. Lamar University will mail members a list of required items.

Dick Nugent announced the SAGE System will be tested on July 15, 1994 at 1:10 P.M. The SAGE System will be tested the third Friday of January and July at 1:10 P.M. in the future.

Programs

John Davis, Halliburton NUS Environmental Corporation discussed the impact of the EPA RMP on Emergency Management and Emergency Preparedness:

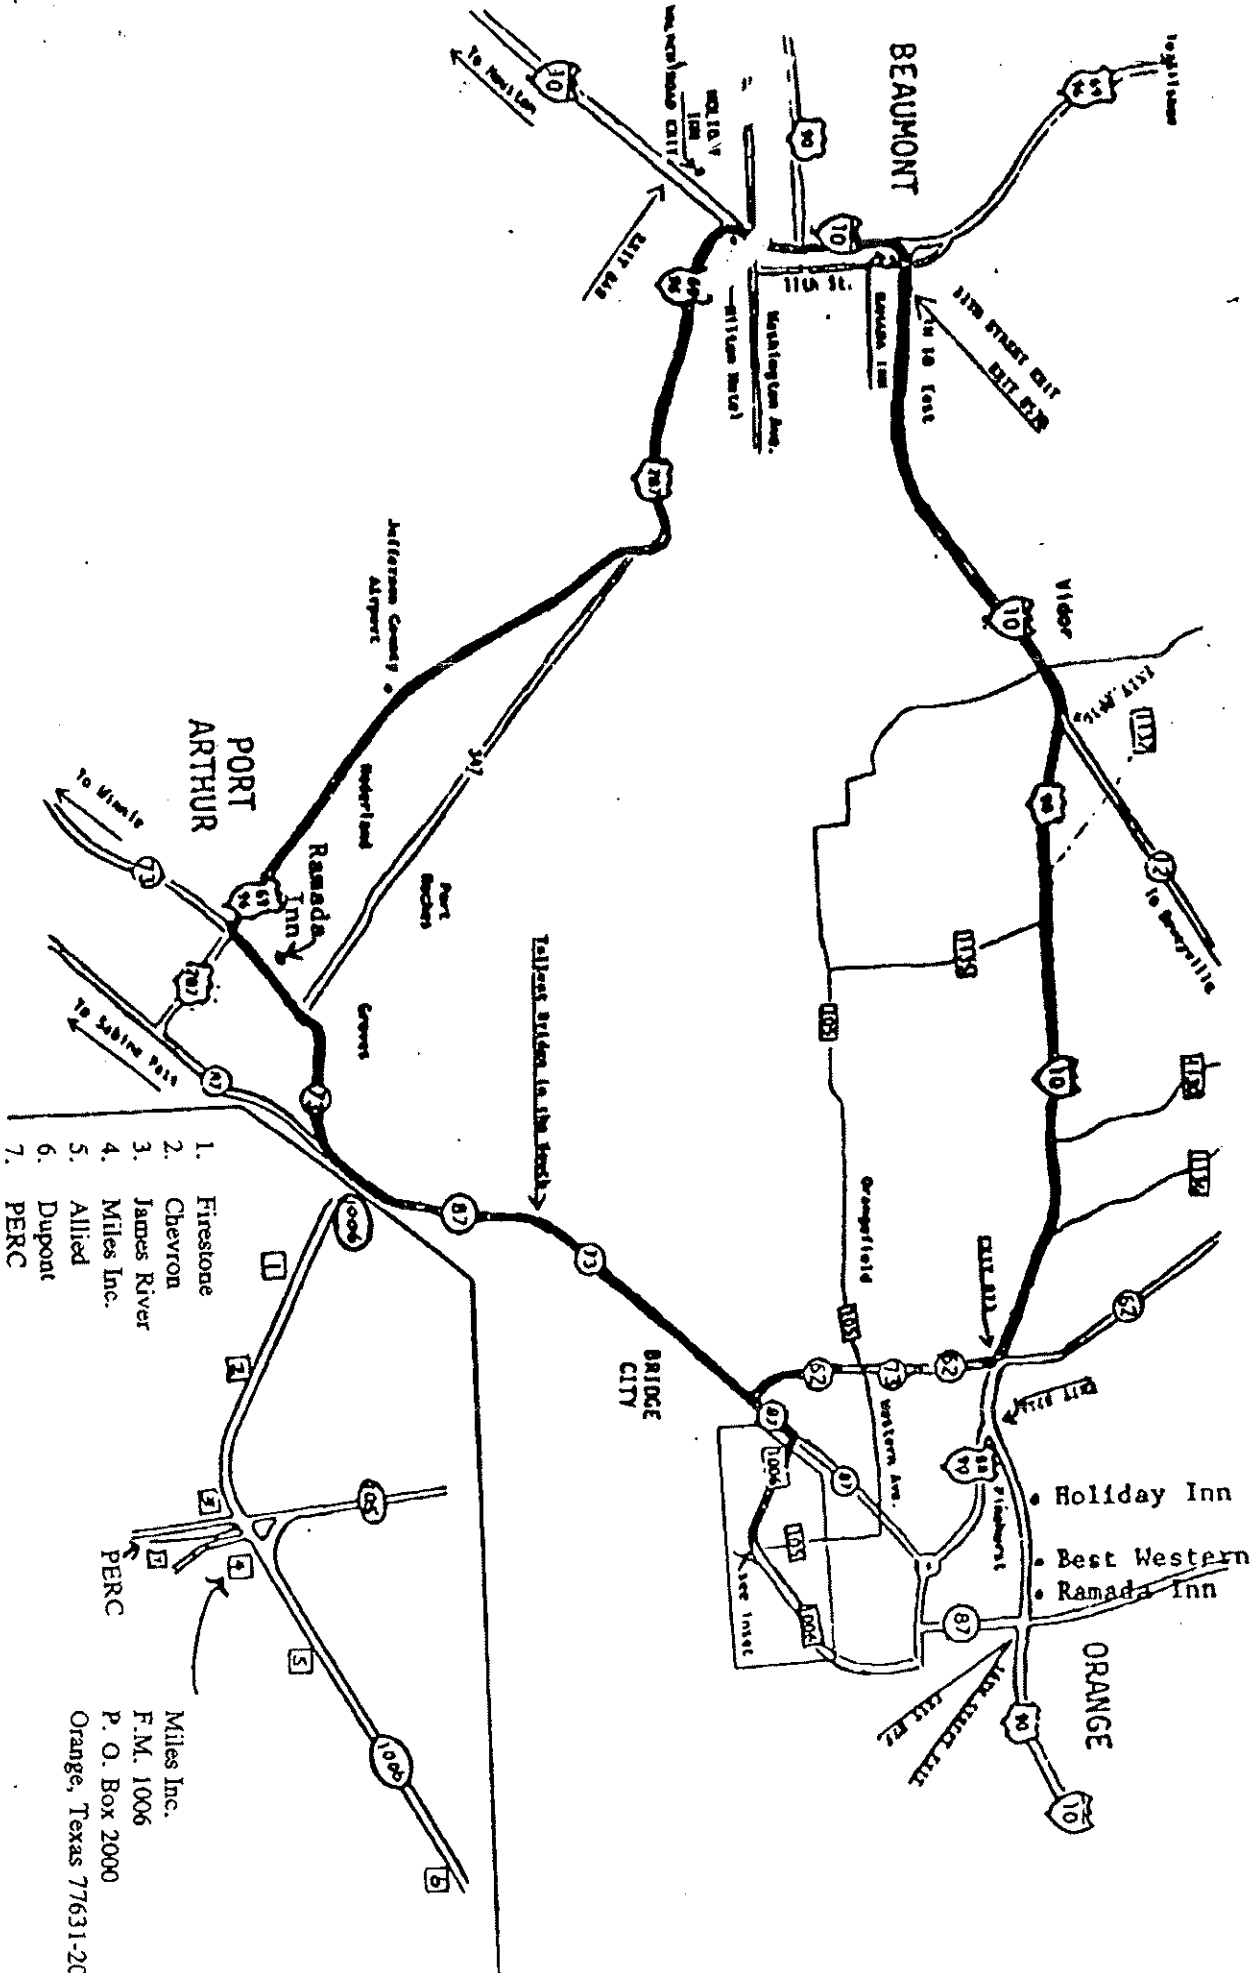

- Worse case planning
- Specific plan for each chemical above threshold levels
- EPA will coordinate plans with LEPC

The meeting was adjourned at 11:15 A.M.

September 9, 1994

The 545th meeting of the Sabine Neches Chiefs' Association was called to order to President D. A. Bruce at 10:00 A.M. on September 7, 1994. The meeting was hosted by the Vidor Volunteer Fire Department and held at the Ramada Inn in Orange, Texas.

Invocation was given by Bobby Lane. Dan Graves, Vidor City Manager, was introduced by Chief John Paul Feeley. Mr. Graves welcomed the group and shared his experience in the Texas Panhandle area where he served as a volunteer fireman.

- Self introductions were made.
- Minutes of the August meeting were read and approved.
- Fire Training Grounds

Esra Gordon reported the following developments at the Beaumont Fire Training Grounds:

- All but two projects are in service.
- Discussed the alternate route to the fire field necessary due to bridge repairs (see map included with August 1994 minutes).
- Remediation complete, presently waiting for piping to project that are out of service.
- All is going well.
- Fire Prevention Week activities to be held October 8, 1994 in conjunction with CavOILcade. Lee Duplant with the Port Arthur Fire Department is coordinator.
- National Weather Service representative, Danny Graves, reported the technical problems with their Dopler radar system have been corrected. Graves said Lake Charles station will begin servicing our area by February 1995.

- Rick Ellery, Lamar University, discussed their two-year Hazmat Program to be conducted at their new facilities at the Lamar Port Arthur Campus.
- John Wells, Goodyear, announced Goodyear has a position open for an Emergency Response Coordinator. For further information, contact John at (409) 794-5209 or their Human Resources Director.
- Orange Fire Chief, Terry Wimberley, proudly announced that his department's 13-member confined space rescue team was featured in an article in "Industrial Fire Chief" magazine and international recognition from the International Association of Fire Chiefs as one of seven worldwide finalists for the 1994 Fire Service Award for Excellence. The confined space rescue team is a public-private venture between the City of Orange and 14 Chemical plants in the Orange area. The team has special equipment and training in how to make rescues in spaces too small for normal rescue procedure. The group of seven finalists were selected from a worldwide pool of 80 applicants.
- Recent emergencies were discussed.

Program

Bill Munson, retired Plant Manager-Olin Chemical, presented a very informative program on the evolution of the Jefferson County "Local Emergency Planning Committee," its relationship with the local "CAER" group and its purpose, including the SAGE Emergency Alerting System.

Meeting adjourned at 11:55 A.M.
