**For 30 years Calibre Press has trained law enforcement across the country through the Street Survival Seminar. This dynamic and essential training will forever change the way you do your job and could ultimately SAVE YOUR LIFE!**

- Build the values, strength & mindset of a warrior
- Learn emotional survival skills for your career & personal life
- Develop your tactics using crisis rehearsal & mental preparation
- Examine lethal and less-than-lethal force options
- Give you tools for off duty survival for you AND your family
- Manage the stress of working in a bureaucracy and on the beat
- Inoculate yourself against the effects of “routine” and complacency
- And MUCH more....

***TCLEOSE credit will be provided for this seminar through CLEAT.***
